Dear Nili and Ehud,
I hope this find you both well on this very auspicious election day.
I am attaching both contracts – the first is the contract with SMP. The second is the agreement between you and Ned.
Flip and I have both reviewed and made our changes – we think they are in excellent shape and are ready to be signed..
Please note that in the collaboration agreement we have included a term that is customary between Author and Writer: once your advance of $350,000 is earned out Ned would receive 20% of incoming payments.
I hope this is acceptable to you.
At this point all I need is your approval of the two contracts. Ned will print out the collaboration agreement, sign, and courier to Flip. She will bring those for your countersignature, along with the SMP contracts for your signature, when you meet in NY.
Thank you so much,

Deborah
